

Blue Tick
Product
Certification

Approved by Furntech-AFRDI
Based on AFRDI Standard 109: 2015
Components for chairs – Part 2
Footrings – Strength and durability

Certificate No.
14658/1
Expires
1 February 2022

Supplier: **Pago International**

Description: **Drafting Ring**

The above footring has been assessed by Furntech-AFRDI and found to comply with the requirements of the Standard.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product to the AFRDI Standard under the AFRDI Blue Tick Product Certification Program.

The tested sample is maintained in the Furntech-AFRDI library for future comparison and audit.

Components that meet the requirements of this Standard are suitable, in terms of strength and durability, for use in chairs up to and including Test Level 6 of AS/NZS 4438:1997 - *Height adjustable swivel chairs*. Compliant components should not be assumed to be substitutable on assembled chairs without Furntech-AFRDI approval.

This certification relates to the footring as shown above with the following features and is valid for three years but may be suspended, revoked or renewed.

Characteristic	Details
Type:	Tubular ring supported by a four armed bracket.
Locking mechanism:	Central gas strut clamp with locking hand wheel.
Material:	Metal, plastic and rubber.
Finish/colour:	Black bracket and chrome ring.
Outer diameter:	455 mm
Ring section diameter:	Nominal 19 mm diameter
Suitable for:	50 mm gas struts
