AFRDI Green Tick certification is based on the above Standard (at the level indicated) and any additional testing and/or assessment conducted by Furntech-AFRDI during auditing processes. Certification was granted on the recommendation of Furntech-AFRDI's independent assessment evaluators and relates to both the product and its site of assembly.

The supplier having agreed to maintain the compliance of both the product and its site of assembly and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product under the AFRDI Green Tick Product Certification Program.

This certification is valid for three years but may be suspended, revoked or renewed.

The above product and its associated site of assembly have together been assessed for:

- > Stewardship
- > Compliance with laws and regulations
- Fitness for purpose strength and durability (indoor furniture)
- Materials selection
- > Toxic and hazardous substances
- > Indoor environment quality
- Design for disassembly, recycling, re-use and product refurbishment

This certificate does not relate to timber, textiles, leather or glass.
