Desk module**

Certified for: **S General safety** ✓
Strength and durability ✓
Stability ✓
Dimensions ✓

✓ Compliant ★ Minor variations x Non-compliant

#This product is supplied as a **frame only**. It was assessed with the worktop/s specified in the product details overleaf. To be a certified **desk** the frame must be supplied with an appropriate worktop. An appropriate worktop is one:

- that is securely attached and correctly positioned on the frame (as per instructions available from the company listed above)
- whose dimensions match, or fall within the range of those specified in the product details overleaf
- whose material properties meet or exceed the properties of the worktop specified in the product details overleaf (i.e. board with equal or greater strength, stiffness and density)
- with a formaldehyde emission rating of E1 or better e.g. E0.

AFRDI Blue Tick certification criteria are based on **AS/NZS 4442:2018 Office desks, office workstations and office tables intended to be used as office desks**, but may include additional requirements and variations as deemed appropriate by Furntech-AFRDI.

Blue Tick
Product
Certification

Products will be certified at minimum for general safety, strength and durability, and stability. Those certified with minor variations have a limited number of dimensions a small amount outside those specified in the standard. Dimensionally non-compliant products should be evaluated in relation to their intended application.

Electrical components, if present, have not been tested or certified by Furntech-AFRDI to any electrical standard or evaluated against any electrical regulation.

Testing and evaluation was conducted on the specified unit/s, or selected samples from the range, such that in the opinion of Furntech-AFRDI all items (as tabulated below) should perform satisfactorily in relation to the certification criteria. Certification is limited to the features and options depicted and listed on this certificate.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the **range** (as specified below) under the AFRDI Blue Tick Product Certification Program.

Certification is valid until the expiry date but may be suspended, revoked or renewed.

Range Details
