

Blue Tick
Product
Certification

Approved by Furntech-AFRDI to AFRDI Blue Tick Certification Criteria for Kitchen Units¹

*Check website www.furntech.org.au for current certification status

Certificate No.
16032/2
Nominal Expiry*
1 February 2026

Supplier: **DIY Resolutions Pty Ltd**

Product name: **Pantry Cabinets**

¹ Criteria include:

- strength and durability requirements (based on AS/NZS 4386.1: 1996 Domestic Kitchen Assemblies – Part 1: Kitchen Units)
- requirements for low formaldehyde carcass material (E1 or better)
- requirements for moisture resistance carcass material
- requirements for marking and assembly instructions.

Certification is based on the above Blue Tick certification criteria and any additional testing and/or assessment conducted by Furntech-AFRDI during auditing processes.

Full testing and evaluation was conducted on the 900 mm unit. In the opinion of Furntech-AFRDI it is reasonable to infer from this testing that both these and the additional cabinets (as tabulated below) constructed in a similar manner from identical materials should perform satisfactorily in relation to the certification requirements.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product under the AFRDI Blue Tick Product Certification Program.

This certification is valid for three years but may be suspended, revoked or renewed.

Cabinet	Size (H x W x D)mm
900 mm 2 door pantry cabinet	2055 x 900 x 580
600 mm 1 door pantry cabinet	2055 x 600 x 580
