Certificate No.
18288/1
Nominal Expiry*
1 February 2029

Blue Tick Product Certification

Supplier: **DIY Resolutions Pty Ltd**

Product name: **Wall Cabinets**

[1] Criteria include:

- strength and durability requirements (based on AS/NZS 4386.1: 1996 Domestic Kitchen Assemblies – Part 1: Kitchen Units)
- requirements for low formaldehyde carcass material (E1 or better)
- requirements for moisture resistance carcass material
- requirements for marking and assembly instructions.

Certification is based on the above Blue Tick certification criteria and any additional testing and/or assessment conducted by Furntech-AFRDI during auditing processes.

Full testing and evaluation was conducted on the 2 door, 900 mm unit. In the opinion of Furntech-AFRDI it is reasonable to infer from this testing that both this and the additional cabinets (as tabulated below) constructed in a similar manner from identical materials should perform satisfactorily in relation to the certification requirements.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product under the AFRDI Blue Tick Product Certification Program.

This certification is valid for three years but may be suspended, revoked or renewed.

Cabinet	Size (H x W x D)mm
900 mm wall cabinet	720 x 900 x 300
800 mm wall cabinet	720 x 800 x 300
600 mm wall cabinet	720 x 600 x 300
450 mm wall cabinet	720 x 450 x 300
400 mm wall cabinet	720 x 400 x 300
300 mm wall cabinet	720 x 300 x 300
200 mm infill wall cabinet	720 x 200 x 300
150 mm infill wall cabinet	720 x 150 x 300
600 mm corner wall cabinet	720 x 600 x 600 x 300
600 mm rangehood cabinet	600 x 600 x 300
